

## CAMERA COMPATIBILITY MATRIX

Step 1. Use the chart to confirm that your cameras are compatible

Step 2. Update the camera firmware to the latest revision

Step 3. Enjoy the benefits of text based search powered by Ai

Note. Acusense 2xx6G2 & 2xx6G2T must be revision C (2021 and later)

|                  | Model                      | Firmware                                  | AcuSeek |
|------------------|----------------------------|-------------------------------------------|---------|
| AcuSense Series  | 2xx6G2 (c)                 | V5.7.19_241207                            | Yes     |
|                  | 2XX6G2T (c)                | V5.7.19_241207                            | Yes     |
|                  | 2xx6G2HT                   | V5.7.19_241207 and above                  | Yes     |
|                  | 2xx6G2H                    | V5.7.19_241207 and above                  | Yes     |
|                  | 2xx6G2P (Panoramic Series) | No                                        |         |
